

Stronger together.

Wyke Farms Ltd, encompassing sites in Bruton, Lamyatt and Wincanton, commits to developing and adopting a proactive approach to tackling hidden labour exploitation, within its own business and that of its suppliers. The company is in the process of developing a plan going forward, to consider the policy commitments that this will entail and the actions required to implement them most effectively. Currently, these plans are in their infancy, however they are ongoing, using guidance from the 'Stronger Together'* initiative.
